Press Release

Come watch a Dakar bike being built in Duncan !

Don Hatton, Canada's own international motorcycle racer, would like to invite the public to come and watch the creation of his new KTM690 race bike being built in Duncan BC.

Don has hired KTM factory trained motorcycle mechanic Bernie Wright to come to Duncan Motorsports, Don's motorcycle shop in Duncan BC, to build the new race bike. They have opened a part of the shop to allow the public to view and talk to Bernie while he performs the upgrades necessary for the KTM to survive the grueling 14 day Dakar race.

Bernie was the mechanic on the Dessert Rose team that Don was riding with in his recently successful completion of the 2009 NPO Shamrock Rally de Maroc (Rally of Morocco). Bernie was also the team mechanic in Don's two previous Dakar attempts.

We all look forward to meeting Bernie and watching the transformation of the KTM 690 Rally bike into a true Dakar contender.

The location of Duncan Motorsports is:

1603 Canada Ave
Duncan BC, V9L 1V2
Ph: 250-716-7148
